## Vortec Cabinet Coolers Data Sheet

Service conditions:

Application (indoor, outdoor), or NEMA rating	12	4	4X
Hazardous Location Class 1 Div.2	Yes		No
Size IN MM	H	W	D
Max. temperature outside enclosure F C			
Average Temperature outside enclosure			
Max. Temperature inside enclosure <b>without cooler</b>			
Max. Temperature inside enclosure <b>with cooler</b>			
Compressed air pressure (only for Vortex Coolers)	PSI		Bar
What is the available power?		Volt	Hz

If internal and ambient temperatures are unknown, use dissipated heat in watts

Dissipated Heat inside enclosure	
----------------------------------	--

**Note: the heat dissipation is the heat loss only, and not the power rating.**
